03.01 Personal protection

When performing regular maintenance or repairs on the vehicle, the operator must take all precautions necessary to prevent injury and wear the appropriate personal protective equipment.

The personal protective equipment used must comply with applicable safety legislation and must be in excellent condition.

Footwear

Wear safety footwear at all times.

Gloves

Wear safety gloves when working with or near sharp or hot objects and when handling liquids that are harmful to the skin.

Eyewear

Wear safety eyewear when working underneath the vehicle and when handling liquids that are harmful for the eyes.

Ear plugs

Use safety ear plugs when working with the engine running.
